KPM VIPER Consulting Receives Small Business Commerce Association Award

BRAINTREE, MA — Kevin P. Martin Associates, P.C. (“KPM”), a nationally-recognized accounting firm, is pleased to announce that its affiliate company, KPM VIPER Consulting, LLC (“KPM VIPER”), has received the 2009 “Best of Business Award” from the Small Business Commerce Association (SBCA).

The SBCA 2009 Award Program recognizes the top 5% of small businesses throughout the country. Using consumer feedback, the SBCA identifies companies that have demonstrated what makes small business a vital part of the American economy.

“Both KPM and KPM VIPER are pleased by this award,” comments KPM VIPER Executive Director, Lindsay Timcke. “It’s a reflection of our continued drive toward excellence.”

The SBCA selection committee chooses award winners from nominees based on information taken from monthly surveys administered by the SBCA, a review of consumer rankings and other consumer reports.

“KPM VIPER wonderfully complements the strategic direction of KPM’s lines of business,” says Chad Robinson, Principal at KPM. “Expanding our service offerings and being the best at what we do, that’s the value proposition to our clients, that’s the real difference.”

KPM is a CPA and leading business consulting firm and a member of BKR International, a global association of independent accounting firms with over 300 offices in over 70 countries.

KPM VIPER provides a host of technology consulting services including enterprise risk management strategy, information technology assessments, network security reviews, SOX 404 readiness compliance, PCI compliance, Disaster Recovery, SAS70 Type I and II, ERP implementation assistance, Massachusetts Privacy Compliance and range of other business advisory services.

SBCA is a San Francisco based organization. The SBCA is a private-sector entity that aims to provide tactical guidance with many day to day issues that small business owners face.
